New Year's Resolutions? HPL Can Help!

Photo: Victor Ecavalos for the Hartford Courant

Hartford Public Library has resources to help you meet your 2017 goals.

Here are just a few examples:

If your resolution is to **get fit & healthy**, there are a lot of **Introductory Yoga** at the Camp Field Branch.

If you'd like **Island wave**, we can help you **apply for a passport**.

If you resolved to **read more**, you're invited **resolicate Edgar Allan Poe's birthday** – with a reading and discussion of Poe Poems.

If you want **learn something new** ...check out the **various mini sessions**... during our Walk Orchid Jazz Series.

If your resolution is **repeat more time with your family** ...start with our First Night Celebrations New Year's Eve, then check out our **Health Program Calendar** ... for a listing of all our kids' activities.

If you made a resolution to give back...

Please consider a year-end gift to Hartford Public Library to support other ongoing work in the Hartford community.

HPL is a powerful force for good, a place for transforming lives, a place full of the other a place like no other.
