## APRIL '19 TEEN PROGRAMS

### **CSI: Fingerprint Investigation**

Take on the role of a fingerprint examiner to solve a fake crime! Collect your own fingerprints, compare them to your friends, build a database, and catch the culprit!

Thu. April 4 | 4pm – 5pm  
Albany Library, 1250 Albany Ave.

### **DIY Virtual Reality Headsets**

Take a look into the future!

Thur. April 4 | 4:30pm – 5:30pm  
Dwight Library, 7 New Park Ave.

### **Fake News**

Learn the skills to identify what's true and what's not online and your role in helping to stop the spread of fake information.

Tue. April 9 | 4:00pm – 5:30pm  
Park Library, 744 Park St.  
Camp Field Library, 30 Campfield Ave.

Wed. April 10 | 4:00pm – 5:30pm  
Camp Field Library, 30 Campfield Ave.

Wed. April 17 | 4pm – 5pm  
Albany Library, 1250 Albany Ave.

### **Emily Dickenson:**

#### **The Moon was but a Chin of Gold**

Delve into Emily Dickinson's poetry and explore her use of different writing techniques.

Thur. April 11 | 2:30pm – 3:30pm  
Dwight Library, 7 New Park Ave.

### **National Library Week**

We are celebrating National Library Week! Join us for a library book scavenger hunt and a beaded bookmark making activity.

Thur. April 11 | 4pm – 5pm  
Albany Library, 1250 Albany Ave.

### **Calming Glitter Jars**

Come talk about stress and make a calming glitter jar to help combat anxiety.

Tue. April 16 | 4pm – 5pm  
Ropkins Library, 1750 Main St.

Thur. April 18 | 4:30pm – 5:30pm  
Dwight Library, 7 New Park Ave.

### **Mindful Moments**

Take a break from everyday stress and get more in touch with yourself.

Tue. April 16 | 4pm – 5pm  
Park Library, 744 Park St.

### **Biomedical Engineering the Lungs**

Investigate why fish can't breathe on land, then design and build a model lung for a big fish that closely resembles a human lung.

Tue. April 23 | 4:00pm – 5:30pm  
Camp Field Library, 30 Campfield Ave.

### **DIY Bath Bombs**

Learn all about relaxation methods, and how chemical reactions are involved in the mix! Then, make and take home your very own bath bomb!

Tue. April 23 | 4pm – 5pm  
Park Library, 744 Park St.

### **Seed Pods**

Make your own Seed Pod and learn some simple ways you can help our planet every day.

Tue. April 23 | 4pm – 5pm  
Ropkins Library, 1750 Main St.

### **Super Suminagashi: Paper Art**

Learn the traditional Japanese art of coloring paper so that it resembles marble.

Thur. April 25 | 4:30pm – 5:30pm  
Dwight Branch

### **DIY Pom Pom Keychain**

Make a fun key-chain to take home!

Tue, April 30, 4pm – 5pm  
Park Library, 744 Park St.

# APRIL '19 WEEKLY HANGS

## Tuesdays - Scholarship & Financial Aid Mentoring

Need help finding scholarships, applying for financial aid, or managing all of your deadlines and essays? Come meet with our volunteer, Horlando to discuss your needs and make a plan. Drop in hours: 4-8pm, no appointment necessary.

April 9, 16, 23 and 30 | 4pm – 8pm  
Downtown Library, 500 Main St,

## Runway Classes

Want to learn how to walk like a professional model? Come to the Runway classes held by mentor DaShaun. We will be working on paginations, tempo, and stage presence.

April 9, 16, 23 and 30 | 5pm – 6pm  
Downtown Library, 500 Main St.

## Photography: Back to Basics

Join this experimental workshop to build or refresh your basic photography skills. Whether you're an experienced shooter, or just learning about shutter speed and shadows, there is a place for you here. We encourage experimentation and the concept of 'each one teach one.'

April 9, 16, 23 and 30 | 5:30pm – 6:30pm  
Downtown Library, 500 Main St.

## Wednesdays - Photography 101

Learn the basic skills of one of the world's most popular hobbies.

April 3, 10, 17 and 24 | 3pm – 4pm  
Albany Library, 1250 Albany Ave.

## Recording Sessions

1-hour studio sessions. Registration required. Call 860-695-6363 or stop by to book your session.

April 4, 10, 11, 17, 18, 24 and 25 | 4pm – 6pm  
Downtown Library, 500 Main St.

## 3D Printing & Animation

Are you interested in learning about how the augmented reality works? Beyond Pokemon Go, augmented reality will become the big thing in tech this year. Create your own AR design for a t shirt or card game. Explore the possibilities of what can be created!

April 10, 17 and 24 | 5pm – 7pm  
Downtown Library, 500 Main St

## Thursdays - 3D Printing for Teens

Join Marc for a lesson in 3d Printing, and learn how to design and print your own creations!

(Every other Thursday) April 4 and 18 | 3pm – 4pm  
Albany Library, 1250 Albany Ave.

## Photoshop: Manipulation, Effects & Design

Are you a photographer, designer, or just someone who likes to be the subject of photography? Join us for a workshop where you will learn the basics of how to add effects to photography and other images. You will also have the opportunity to add the fundamentals of photographic design and manipulation to your creative skillset!

April 4, 11, 18 and 25 | 5pm – 7pm  
Downtown Library, 500 Main St.

## Fridays - Fashion Production Workshop

Want to learn how to customize your own garments? Come to the fashion production workshop. We will be taking apart garments and making them into new looks. Feel free to bring in garments that you would like to work on or there will also be garments provided.

April 5, 12, 19 and 26 | 10am – 2pm  
Downtown Library, 500 Main St.

## Day Painting: Paint all day!

April 5, 12, 19 and 26 | 1pm – 4pm  
Albany Library, 1250 Albany Ave.

## Saturdays - 3D Printing & Animation

Are you interested in learning about the 3D Printer or how to make your own animation? Join us for a workshop where you will learn the basics of how to create your own 3D model to print. You can also create a fun animated short film.

April 6, 13, 20 and 27 | 11am – 1pm  
Downtown Library, 500 Main St.

## Studio for Beginners

Want to learn how our studio works and get an introduction to the basics of recording? This is the workshop for you! Have a little bit of experience but want to learn more? This is the workshop for you!

April 6, 13, 20 and 27 | 2pm – 5pm  
Downtown Library, 500 Main St.

## Lightroom Fundamentals

Are you an aspiring or up & coming photographer? Great! - Join us to learn the basics of Lightroom, Adobe's lead program for editing photos, finalizing photos, and more. In this workshop we will touch on topics ranging from complete edits to formatting for prints. All are welcome!

(Every other Saturday) April 6 and 20 | 3pm – 4pm  
Downtown Library, 500 Main St.

**Lunch is available Tuesday through Friday at 4pm at YOUmedia, Downtown Library, 2nd floor, 500 Main St., Hartford**
