Traditional drawing and design fuse with technology, using virtual reality headsets and game design software. Step into the VR universe with Marc Pettersen and get the chance to explore possibilities and create your own landscapes, games, and animations.

YOUmedia: Audio Engineering

Mondays 2:30 PM, Wednesdays 3:00 PM, Friday 1:00 PM
Virtual, Twitch

Learn with Eli Williams how to make instrumentals in FL Studio, and build your production skill set as you arrange, mix, quantize, and master them.

YOUmedia: Design Space

Mondays & Tuesdays 1:30 PM, Fridays 12:00 PM
Virtual, YouTube Live

With Jose Ortiz as your guide, learn the principles of graphic design with a concentration in typography and composition.

YOUmedia: Music Club

Tuesdays 3:00 PM, Fridays 3:30 PM
Virtual, Twitch

This 8 week program will build a basic knowledge of music performance and theory through personal interest. The student will find a piece of music of their choice and practice for the Jam Bananza Showcase. This showcase is where students can demonstrate their knowledge and perform music they worked on.

Ask us if you qualify for our teen support services, such as free weekly grocery delivery, kindles for book clubs, and a computer to attend virtual programs.
