invites you to a

## ROUNDTABLE DISCUSSION ON TOLERANCE & INCLUSION

**Hate has no place in America.** Though we have heard some alarming rhetoric in the wake of the horrific attacks in Paris and San Bernardino, now is the time for unity and tolerance, for voices of faith to rise above the fray.

To that end, I am hosting a discussion with leaders in the Muslim, Jewish, & Christian communities to discuss interfaith partnerships and dispel some of the divisive rhetoric towards Islam.
