IS THIS MY BUS?

You can tell where a bus is going when it pulls up to the stop. Look at the sign above the windshield to see the route letter/number, the name of the route and the last stop of the bus. If you need help, ask the bus driver and he or she will be able to tell you what bus you need to take to your final stop.

Sundays and Holidays, from 7:00AM to 6:00PM.

RIDING THE BUS

- Get to the bus stop at least five minutes before the bus is supposed to stop there.
- Have your bus fare, pass or ticket ready before you get on the bus.
- If you need another bus to complete this trip, ask the driver for a transfer ticket when you get on the bus and pay your fare. On the next bus, just insert the ticket into the farebox.
- Do not cross the street in front of the bus, it is not safe. Wait until the bus has pulled away before you cross the street.

BUS STOPS

There are bus stops every 2-3 blocks on the bus route. Many stops are marked with a bus stop sign. Some stops have a white band painted on a pole.

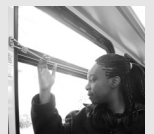

GETTING OFF THE BUS

About one block from your stop, pull the cord above the side windows to let the bus driver know that you need to stop. A noise will sound and a sign will light up at the front of the bus to tell the driver to stop.

PAYING YOUR FARE

You can pay the fare with cash, ticket or pass. If you choose to pay your fare in cash, be sure to have exact fare because fareboxes cannot give change. The farebox takes only \$1.00 bills and all U.S. coins.

If you plan to ride the bus often, you may buy one of many passes to save money. Ask for more information at the **CTTRANSIT** Customer Service and Sales Outlet in State House Square in downtown Hartford.
