

We value your input - please join us.

As we approach our 250th year, and our Downtown Library undergoes renovations, we are taking the opportunity to refresh our brand with plans to adopt a new logo/color palate. If you attended a previous session on our logo development, please feel free to join us again — we have applied initial input into the designs and are sharing updated options.

This important decision impacts our entire community. That is why we are asking you to participate in one of three online focus groups to review creative concepts.

Three community conversations via Zoom will take place at [10 a.m. on Saturday 10/21](#), [6:30 p.m. on Monday 10/23](#), and [12 p.m. on Thursday 10/26](#), to ensure access and opportunity for those who wish to contribute their voice to this process.

Please consider being part of Hartford Public Library history!
